

John

Me (Arjun)

Plastic forks are cool.

I despise plastic forks.

I have a whole bucket full.

There so flimsy, pointy, and hard.

I use them everywhere,

Sometimes in my underwear.

I never use them outside of school,

I show them to my neighbors,

For fear of being like John who is always
standing at my door.

Who hate them more & more.

I try to get rid of him every day, which makes
me hate him more & more.

They 'shoo' me away everyday,

Hoping I'd go away.

I just wish he'd go away.

Well I hope this is a new day.

"Ring, Ring! Can Arjun come out and play?"

"Ring, Ring!

Uh-oh, now I must run away."
